

TERM AND BLOCK FINAL EXAMINATIONS, FINAL GRADES, TRANSCRIPTS

Final exams for all (X-1) block classes are usually given on the last day of the appropriate block; enrolled students should check course syllabi or contact the course instructor for specific information. Dates and times of final exams for all other courses (full semester 'stringer' courses, half-term courses, weekend classes, etc) will be announced by course instructors.

It is recommended that students take no more than two (2) final exams in a single day; resolve test scheduling conflicts with course instructors or the Provost.

Final grades for block classes are generally available on DAWGS within a week of the end of a block. Final grades for all other courses are available via DAWGS 10-20 days following the end of the semester.

Students needing official transcripts should contact the Registrar's Office. A printable Transcript Request Form is available on-line via the university web page at:
