It's That Time!

Yep, time to **REGISTER!** Hard to think of fall classes right now, with springtime upon us, but it IS time!

Come in to TRIO SSS to make an appointment or just walk in and wait your turn to see your Retention Specialist for advising.

As always, you will need to get your pre-advising with TRIO — we'll set you up with a tentative schedule to take to your faculty advisor, who will give you insights on your program along with your registration (alternate) pin.

Once you have your alternate pin, all TRIO participants can **register** on-line beginning Tuesday, April 13, whether you are a Senior or not.

Register for classes during Registration Week 4/13-16 and get first chance at your must-have courses!

TRIO: Tuesday, 4/13

Seniors: Tuesday, 4/13

Juniors: Wednesday, 4/14

Sophomores: Thursday, 4/15

Freshmen: Friday, 4/16

Why register now?

Hey, we all love block scheduling, but, because of small class size (and small campus size), it's first-come, first-served, especially for those gen-eds! It's ok to spread your generals out over a couple of years, but remember, you're competing with incoming Frosh for them as well!

If you are a Junior or Senior it's even more important to register for your 300 & 400 level classes: if those classes don't show a minimum registration early on, they get cancelled to make room for more gen-eds!

So take advantage of your unique TRIO participant status, get advised, and **GET REGISTERED!**

TRIO News

Kelly Mac's gone!

We sure will miss Kelly McIntosh! Kelly's last day was Friday, April 7th; she starts her new position with the Community Resource Center in downtown Dillon April 12. She's still in town, and wouldn't mind a few visitors!

Graduation Applications DUE!

If you are planning on graduating either at the end of Fall 2010, or in May 2011, the deadline for **HANDING IN** your grad app is May 1— only 3 weeks from now! There are signatures, financial aid meetings, etc. to take care of, so get going!

TRIO will be Closed
